- Online e-magazine to promote your business
- Australian Owned and Operated
- Buyers Notification System
- Live Twitter Feed when ad is published

Bsale has been established 16+ years, making it one of the first business for sale websites. Placing your ad on Bsale is similar to advertising in a newspaper but with more exposure, photos and the flexibility to make changes. Bsale understands online advertising. We invest a lot of our resources into ensuring potential buyers are visiting our website when looking to buy business.
